It is accepted and agreed that _____ purchase from Cantope Standard Poodles, one _____, standard poodle pup, Micro-Chip Number _____, whelped _____ for the sum of \$2,000.00 (plus taxes & shipping) and under the following conditions:

1. This animal shall not be used for breeding.
2. This animal is represented as a healthy, good quality animal, of proper general character and good temperament.
3. This animal's health is guaranteed for 72 hours in the case of communicable disease. The seller further guarantees this dog to be free from any inherited disease that Cantope tests the parents for which impairs long life, good health, and full function as a pet. If such an inherited defect should occur, and be diagnosed in writing by a qualified veterinary specialist, and confirmed by our veterinarian, the seller agrees to replace this dog with a puppy of similar quality at such time that the client deems suitable. Alternatively Cantope will refund the purchase price, less breeder expenses, upon return of the originally purchased dog. IF your poodle should become ill with unusual symptoms and your vet recommends extensive testing, or invasive surgery, or referral to a specialist, please contact us immediately. With our poodle experience, our knowledge of our line, along with the assistance of our capable, poodle-savvy vets, we can usually reduce the time to diagnose and thereby reducing the expense and speeding up recovery of your poodle.
4. Buyer agrees to comply with the Cantope Vaccination Protocol. Deviation from the recommended vaccination protocol will negate the health guarantee on this dog.
5. Unless this agreement is voided and replaced by another upon reconsideration of this dog's eligibility for breeding, the dog shall be neutered/spayed after the vet confirms the growth plates have closed or by the age of 18 months. The registration papers to be withheld until evidence is provided to the seller that the dog has been altered. When proof of neuter/spay is supplied, transfer of ownership and C.K.C. registration papers will be provided by Cantope Standard Poodles.
6. If at any time _____ can no longer care for this animal, the dog shall be returned to CANTOPE STANDARD POODLES, 10246 Old Shiloh Road, Pefferlaw, Ontario, Canada L0E 1N0. The breeder will re-home the dog. The purchase price, less breeder's expenses, will be refunded. Breeder expenses to include, but not be limited to, veterinary health check, boarding, food, advertising, and travel. If the dog is given to a "breeder-approved" friend or family member, the contact information of the new owner to be provided to Cantope Standard Poodles. Any new owner will be required to follow the terms of this agreement.

7. This animal shall be maintained in an adequate enclosed area, or on leash, and not allowed to roam unsupervised.

8. This dog will be taken to, and trained in, at least one, eight-week obedience course prior to the age of two years.

In signing this agreement, _____ acknowledges understanding and agreement to accept all legal consequences for violation of the above terms.
