It is accepted and agreed that _____ purchase from Cantope Standard Poodles, one standard poodle, Micro-Chip Number _____ whelped _____ for the sum of \$2,200.00 (+ Tax & Shipping) and under the following conditions:

1. This animal shall not be used for breeding.
2. This animal is represented as a healthy, good quality animal, of proper general character and good temperament.
3. This animal's health is guaranteed for 72 hours in the case of communicable disease. The seller further guarantees this dog to be free from any inherited disease which impairs long life, good health, and full function as a pet. If such an inherited defect should occur, and be diagnosed in writing by a qualified veterinary specialist, and confirmed by our veterinarian, the seller agrees to replace this dog with a puppy of similar quality or refund the purchase price, upon return of the originally purchased dog. If your poodle should become ill with unusual symptoms and your vet recommends extensive testing, or invasive surgery, or referral to a specialist, please contact us immediately. With our poodle experience, our knowledge of our line, along with the assistance of our capable, poodle-savvy vets, we can usually reduce the time to diagnose and thereby reducing the expense and speeding up recovery of your poodle.
4. The buyer agrees to follow the recommended vaccination protocol. Allowing your vet of choice to ignore the recommended Cantope Vaccination Protocol and over vaccinating **will negate the health guarantee.**
5. Unless this agreement is voided and replaced by another upon reconsideration of this dog's eligibility for breeding, she shall be spayed by the age of one year. The UKC registration papers will be provided by Cantope Standard Poodles.
6. If at any time _____ can no longer care for this animal, the dog to be returned to CANTOPE STANDARD POODLES, 10246 Old Shiloh Road, Pefferlaw, Ontario, Canada L0E 1N0. The breeder will re-home the dog. The purchase price, less breeder's expenses, will be refunded. Breeder expenses to include, but not be limited to, veterinary health check, boarding, food, advertising, and travel. If the dog is given to a "breeder-approved" friend or family member, the contact information of the new owner shall be provided to Cantope Standard Poodles. Any new owner shall be required to follow the terms of this agreement.
7. This animal shall be maintained in an adequate enclosed area, or on leash, and not allowed to roam at will.
8. This dog will be taken to, and trained in, at least one eight-week obedience course prior to the age of two.
