It is accepted and agreed that _____ purchase from Cantope Standard Poodles, one standard poodle puppy - Micro-Chip Number _____ whelped _____ for the sum of \$3,000.00 (plus taxes & shipping) and under the following terms:

1. This animal shall not be used for breeding.
2. This animal is represented as a healthy, good quality animal, of proper general character and good temperament.
3. This animal's health is guaranteed to be free from any inherited disease which impairs long life, good health, and full function as a pet. If such an inherited defect should occur, and be diagnosed in writing by a qualified veterinary specialist, and confirmed by our veterinarian, the seller agrees to replace this dog. If your poodle should become ill with unusual symptoms and your vet recommends extensive testing, or invasive surgery, or referral to a specialist, please contact us immediately. With our poodle experience, the knowledge of our line, along with the assistance of our capable, poodle-savvy vets, we can usually reduce the time to diagnose and thereby reducing the expense and speed up recovery of your poodle.
4. The buyer agrees to follow the recommended vaccination protocol. Over vaccinating will negate the health guarantee.
5. Unless this agreement is voided and replaced by another upon reconsideration of this dog's eligibility for breeding, the dog shall be neutered (male) after the age of one year or spayed (female) after her first season, depending on owner's ability to care for a bitch in season. Otherwise females can be scheduled for spay after 8 months of age, before their first season.

6. If at any time _____ can no longer care for this animal, the dog is to be returned to CANTOPE STANDARD POODLES, 10246 Old Shiloh Road, Pefferlaw, Ontario, Canada L0E 1N0. The breeder will re-home the dog. The purchase price, less breeder's expenses, will be refunded. Breeder expenses to include, but not be limited to, veterinary health check, boarding, food, advertising, and travel. If the dog is given to a "breeder-approved" friend or family member, the contact information of the new owner shall be provided to Cantope Standard Poodles. Any new owner shall be required to follow the terms of this agreement.

7. This dog will be taken to, and trained in, at least one eight-week obedience course prior to the age of two.

8. In signing this agreement, _____ acknowledges understanding and agreement to the above terms.
